

Cookie Policy

INFORMATION ABOUT OUR USE OF COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

Cookies we use:

_cfuid and ci_session

Content Management System cookies- identifiers for the current session used by the website's content management system. These is strictly necessary to allow browsing of the website. *_cfuid* expires after 1 year; *ci_session* expires after 2 hours

OptanonConsent

Used to store your cookie opt-in/out preferences. Strictly Necessary. Expires after 1 year.

Google Analytics

We use these cookies to collect information about how you use our site. This information helps us to understand how you engage with our site and provides us with a report on the usage of the site. The information on website usage does not identify individuals but rather provides us with anonymous information including how many people have visited the site, which parts of the site they have visited etc. We use this information to improve the site.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.
